AFFORDABILITY

Earning your doctorate in pharmacy is an investment that will pay dividends over the course of your life.

FINANCIAL AID

Qualified PharmD students are eligible for financial aid. The first step in applying for financial aid is to complete the Free Application for Federal Student Aid (FAFSA) and Graduate PLUS Loan application.

SCHOLARSHIPS

Students may apply for a scholarship through the School of Pharmacy. We will send all students information about applying for a scholarship at the end of the spring semester.

TUITION

Tuition for the PC Doctorate of Pharmacy is \$20,070 per semester. The program requires 8 semesters.

PURSUE EXCELLENCE

At Presbyterian College School of Pharmacy, we provide our pharmacy education through a liberal arts lens, leading to excellence. Our graduates have surpassed the national average for first-time pass on the North American Pharmacist Licensure Examination (NAPLEX) for the past three years.

Our PharmD students also benefit from:

- Top-notch technology and pharmaceutical resources
- Award-winning faculty and experienced pharmacy practitioners
- A robust alumni network

If you're ready to take the next step in your career as a medical professional, PC is the place to begin.

CURRICULUM AND DEGREE REQUIREMENTS

Our PharmD curriculum blends classroom, laboratory and experiential learning throughout the academic year to provide opportunities for skill acquisition and demonstration. The integration of foundational sciences and pharmacotherapy along with the inclusion of interprofessional collaboration develops student pharmacists into practice-ready graduates.

The four-year doctoral program is **142 credit hours**. During the first three years of the program, experiential (practice site) opportunities are threaded throughout the curriculum. The fourth-year is spent almost entirely in practice settings.

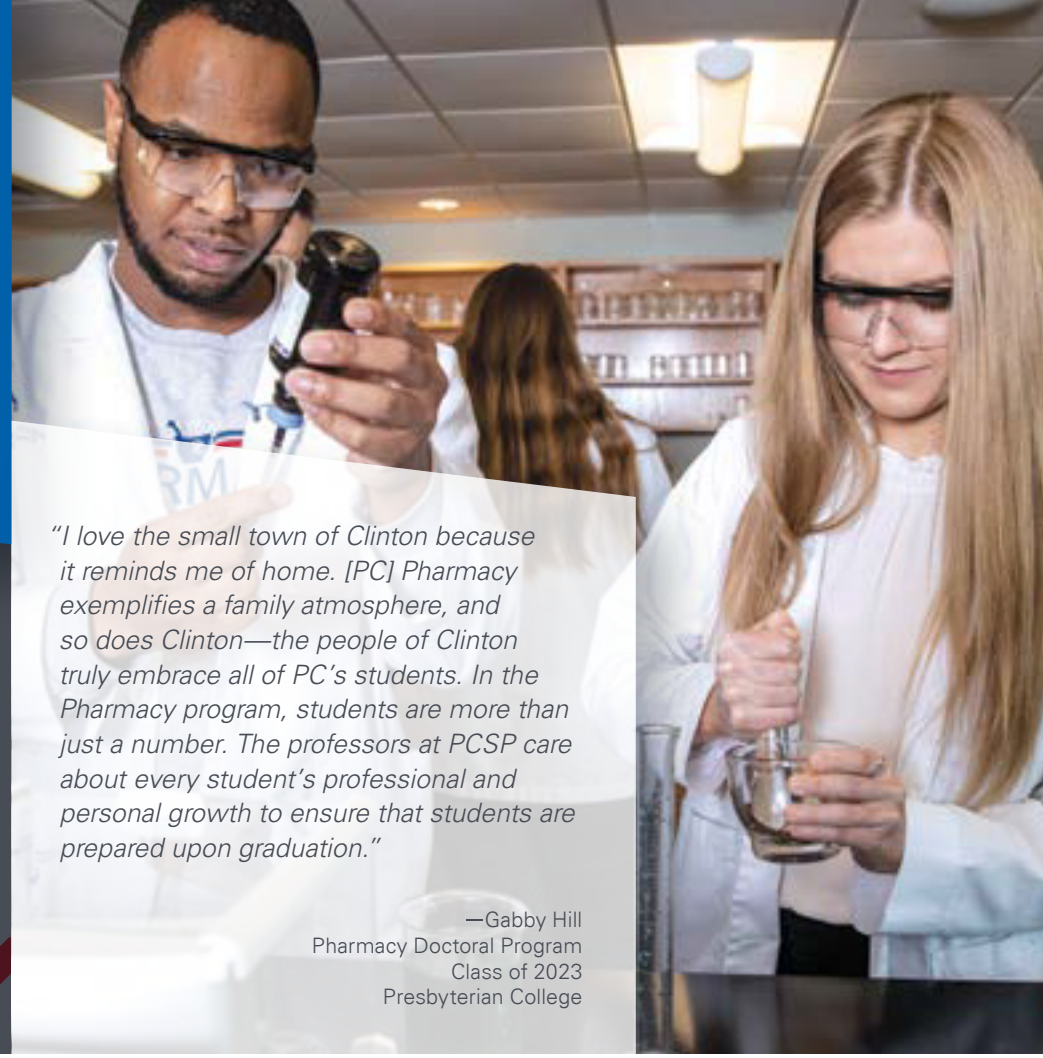

First-year course topics include:

- Human Biochemistry
- Principles of Pharmacology and Medicinal Chemistry
- Pharmacy-Based Immunization Delivery
- Therapeutics of Self-Care and more

All PharmD graduates must pass both the North American Pharmacist Licensure Examination (NAPLEX) and the Multistate Pharmacy Jurisprudence Examination (MPJE) to become licensed.

ACCREDITATION

The Presbyterian College School of Pharmacy Doctor of Pharmacy Program is accredited by the Accreditation Council for Pharmacy Education (ACPE) through June 30, 2028.

"I love the small town of Clinton because it reminds me of home. [PC] Pharmacy exemplifies a family atmosphere, and so does Clinton—the people of Clinton truly embrace all of PC's students. In the Pharmacy program, students are more than just a number. The professors at PCSP care about every student's professional and personal growth to ensure that students are prepared upon graduation."

Pharmacy Doctoral Program
Class of 2023
Presbyterian College

GRADUATE SCHOOL AT PRESBYTERIAN COLLEGE IS DIFFERENT.

A FOCUS ON SERVICE

We take our motto, "While We Live, We Serve," to heart. PC students serve within our community and go on to make a lasting impact nationwide.

SMALL STUDENT COHORTS

Small class sizes allow our students to collaborate easily and build strong relationships with their peers.

EXPERIENCED, PASSIONATE FACULTY

With low student-faculty ratios, our faculty is accessible to students and entirely focused on their individual success.

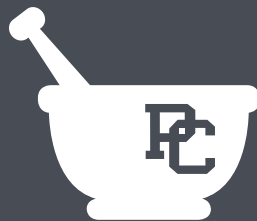

ABOUT PRESBYTERIAN COLLEGE

Presbyterian College was founded in 1880 in Clinton, South Carolina. We value a liberal arts education, seeking to develop mental, physical, moral, and spiritual capacities within each student.

PC is transformative—we offer a rigorous education with a built-in support network of faculty, staff, and alumni. Together we work as a community, inspiring our students to learn and value service along the way. PC graduates are adventurous and successful; competitive and compassionate.

Our quaint hometown is located halfway between Columbia and Greenville—in under an hour, you can visit world-class museums or take in a show. We're also just three hours from Atlantic beaches and less than two hours to the Blue Ridge Mountains.

Ready to begin a meaningful pharmacy career?
