

Many of the preceptors at PCSP go above and beyond what is required of them and we want to recognize their efforts. The Office of Experiential Education and Experiential Program Review Committee (EPRC) have created a credentialing process to increase the recognition of our exceptional preceptors. To become eligible for the Master Preceptor level, the preceptor should submit all materials and CV to the OEE by **November 1** each year. Master Preceptors are recommended for adjunct faculty status in January and recognized at the White Coat Ceremony in August.

## Benefits and Recognition

## Requirements and Standards

### PRECEPTOR

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>○ Certificate upon completion of New Preceptor Orientation</li> <li>○ Preceptor Pin</li> <li>○ Live CE opportunities at Preceptor Workshops</li> <li>○ Full preceptor access to library resources</li> <li>○ Recognition at White Coat Ceremony in August</li> </ul> | <ul style="list-style-type: none"> <li>○ Completion of new preceptor modules</li> <li>○ Preceptor syllabi on file</li> </ul> |
|---|--|

### MASTER PRECEPTOR
